## BUILDING IMAGINATIONS

Terra Group has evolved into a matured real estate corporation, The group was established in 2006 and today, it's one of the leading and trusted groups engaged in development of residential townships and commercial projects. Our ability to make right decisions helped us grow our business. We're developing high-end Residential and Commercial Projects in integrated township of modern Bhiwadi & Faridabad.

We're growing at a fast pace to be one of the most innovative real estate developers, We're committed to deliver the best values to our discerning customers. Discipline in our everyday operations enables us to make right choices that help us grow our business, We envision now to encompass building not just any better homes or offices, but also to provide better facilities, in order to offer a life of better quality.

## YOUR SECOND HOME THAT WILL SOON BECOME YOUR FIRST.

A second home usually means a retreat away from the mundane. It promises solitude, a place where you leave your worries behind and a path to connect with nature. First City promises all this and much more. It's a haven for your investment. It's a place where you walk-in and are immediately surrounded by a vibe that's positive, inviting and just waiting to become your first home.
